Part 1

Hi!! It's Sakura Tsukuba. Thanks to you, Yashohime Master is now in its third volume. Yeah... Um. This heavily season-influenced story was published in spring. I realized that I have never written this series in the spring before, so enjoyed this experience. Christmas goes without saying, but there are a lot of stories in summer. Lots of waterfalls...!!

1/4 Sakura Mail Part 2

So it is spring.
Spring means cherry blossoms.
The season of love of Heart!!
My Rinsuke is quite different from the real Rinsuke.
Of course, he lies.
And he is a gift from God, so he has all sorts of special characteristics. It's fun thinking up these ideas.
Basically, Keiichi is handsome and girls would notice him.
But as for Keiichi, he's doing all sorts of dumb things and forgets that he's good looking.

HE GOT HIS HEART DURING SPRING, SO HIS MATING PERIOD IS DIFFERENT.

FORMING OVER
TWO MONTHS

MALE HORNS DEVELOP FIRST BEFORE THE ONSET OF REPRODUCTIVE SEASON. ONCE IT IS OVER, HORNS ARE NATURALLY SHED.

THAT'S IT!

"DEER-DEER"

THAT WOULD BE FALL. THAT'S THE REASON WHY DEER-DEER DON'T HAVE HORNS DURING CHRISTMAS!

OH?

DEER
= NO!
IT

DURING HEAT, THE MALE REIN-DEER FORMS A HORN.

SOME MALES WOULD LEAD NEARLY A HUNDRED FEMALE...

Once again, Santa in the summer, Kaho's family goes to the ocean every year. This year, they're staying at a resort for a week. They are enjoying their vacation by the sea. This chapter has a lot of paper planes in it. Although I made many of them as a kid, I totally forgot how to make one. As part of the research, we all made as many paper cranes that our office was buried in them by the end of the day.

Part 5

In this chapter, there is a young boy. Since Santa has to work with children, it was easy to come up with a story with a child as a main theme, and I really enjoyed it.

Because the character is so cute!
I also like animals and they make me happy. Of course Kaito makes me happy, too. But when I was writing this chapter, I was really hurting for time, so Kaito's character shape isn't very consistent. Being in there, I

Part II

Continued.

It's fun thinking about things like that. So I give all sorts of banter to the characters. Right. The more I love them, the funnier I am on them. Sorry, Anime-mad And, now, something completely different. When originally published in the magazine, this 'space' is used for fanmail comments.

For this one, I had the best of the silly jokes. I wrote an old pal "My father used to say..." (this actually appears in Japanese). Yes, it was silly. BUT, a few days later, I had my letters hanging outside and a girl blew it away! And it went missing. Where did it go??

DID YOU GOOL IT?

ADD YOU OK, KUPPLIN?

YUP.
